Dear Mr. Correa-Marquez:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

- Schedule A of your report discloses one or more contributions received after the 1999 Primary Election which are designated for the primary. Contributions may only be accepted to the extent that the committee has net debts outstanding from the primary election (11 CFR 110.1(b)(3)(i). Please note that contributions which are received for the purpose of retiring primary debt should be marked as such. If any contribution was incompletely or incorrectly reported, please amend your report with the clarifying information.

Any amendment or clarification should be filed with the Federal Election Commission. Electronic filers must file amendments in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division), our local number is (202) 694-1130.

Sincerely,
